**The NAMTA Foundation Visual Arts Major Scholarship is open to the general public.**

- **Must be majoring or planning to major in the field of visual arts**, such as painting, drawing, sketching, sculpture and other creative arts - **excluding** music or the performing arts - as an art major or an art educator.
- Must submit a minimum of three (3), with a maximum of six (6), examples of work. Examples will be accepted by electronic means only (CD or email). **DO NOT submit original pieces, as they will not be accepted.**

- Must submit a high school or equivalent transcript.
- Will be judged primarily on artistic talent and/or potential, and their degree of interest and enthusiasm for the fine arts. Some consideration will be given to grade point average, extracurricular activities and financial need.

Extracurricular activities may be included on the transcript, but must also be listed on the formal application form.

Letters of recommendation or endorsements will be accepted but are not required.

Scholarship funds, if awarded, are for future use, not payment of past expenses or credit balances on accounts, and will be distributed directly to the institution the student will study.

The name and contact information of the institution where the recipient will be studying must be shown.

Fill out pages 2 and 3 of this application. Question 18 requires a separate page for your essay.
